

YEAR 1 CURRICULUM

Example of Courses

A Sure Foundation

- *Two subjects are covered in this class. The Integrity of the Word expounds on the truth, surety, and infallibility of God's Word. Christian Philosophy shows us that we all have a system of thought but challenges us to examine if it is according to the Word or the world.*

Life Foundations

- *In the Life Foundations course, you will learn 6 key foundational truths that will revolutionize your relationship with God, empower you to overcome every attack of the enemy, and give you the ability to minister to anyone, at any time about anything. The most important part of a structure is its foundation. These truths will help you establish a firm foundation in the Word of God.*

Possess the Land

- *In this course you will come to understand the relationship between the children of Israel possessing the Promised Land, and believers possessing the 'Land of Promises.' What does it mean to possess the Truth, possess eternal life, our new identity in Christ, our thought life, and God's prosperity? Finally, how do we drive out the enemy who comes to steal, kill and destroy?*

Prosperity God's Way

- *This course is designed to help students develop the right relationship with money and run the love of money out of their soul. Jesus tells us in Luke 16 that faithfulness in that which is least— money—will qualify us to be entrusted with true riches—eternal souls. These lessons will establish the student in the purpose of prosperity; identify the real enemies of prosperity; and teach the right attitudes to develop toward finances.*

Healing

- *The Christian life includes physical health for all who believe. It is as much God's will that we be physically whole as it is that we be born again. Before anyone can have faith for healing, they must be certain of God's will. Faith cannot go beyond the knowledge of God's will and God's ways in the area of health and healing. This course will establish principles for health and healing and will explain healing in terms of the spirit, soul, and body of man. We will learn what is required of us as faith-filled Christians, and what is God's part in the process of receiving health in our bodies.*

Holy Spirit I, II & III

- *These are exciting classes that discuss the person and the work of the Holy Spirit. Not only will you learn how He has worked throughout history, but how He works in your life.*

Basics of Righteousness

- *This class teaches about our Spirit, Soul, and Body and Identity in Christ. Spirit, Soul, and Body is a study that explains how our spirits are complete in Jesus if we are born again and how our souls and bodies should relate to our spirits. The Identity in Christ study shows us from Scripture who we are in Christ— our righteousness and justification.*

The Heart of the Gospel

- *Guilt, Condemnation, and Fear seem to be the motivating factors that define many Christian's lives. Guilt, Condemnation, and Fear have been passed down from generation to generation because believers have been ignorant to the Heart or "Essence" of the Gospel, and for generations people have struggled to believe the truth of the "Almost too Good to be True Gospel." Because of the ignorance and lack of understanding concerning the "Essence" of the Gospel, very few people know and relate to God the way that He is revealed in the New Testament. The "Essence" of the Gospel is all about God revealing His goodness, love, mercy, grace and forgiveness and true nature to a tired, worn out, and hopeless world!*

Principles of Grace and Faith

- *The purpose of this course is to understand what grace and faith is and how they operate in our relationship towards God and how they operate towards those around us in our daily life. This course is designed to bring the Christian into a balance of receiving God's grace by faith and demonstrating that grace to all those around us.*

Fruit of the Spirit

- *God's very first words to man connects our success in life to our fruitfulness (Gen. 1:28). The kind of fruit each believer is called to produce is described in Gal. 5:22-23. This is a picture of the life and nature of Jesus. This course is an in-depth study of each aspect of the fruit of the Spirit. You will learn the purpose, the rewards, and the means to fully develop and manifest the fruit of the Spirit in your life and ministry.*

Romans

- *Romans—the revelation of righteousness. The Book of Romans is considered by many as the greatest exposition of Christian Doctrine anywhere in the Bible. The revelation of righteousness is the revelation of the gospel. In this class we see the need for the provision of, the way to, and the power of righteousness revealed in Christ and received by faith.*

New Covenant Prayer

- *Communicating with God is a major part of our relationship with Him. This course is about what prayer can be like in light of the New Covenant. Topics include friendship with God, worship, hearing His voice, praying for others, and doing what we see the Father do. There will be a focus on scriptural examples and real-life application.*

Old Testament Survey I, II, III, IV, V, VI

- *Journey through the Old Testament to see the grand panorama of God's plan of redemption. Dig into the Scriptures to explore enriching truths about God's faithfulness and His heart for His people. Establishing a Prosperous Soul

- *According to III John 2 our physical health and financial prosperity are linked to the relative prosperity of our soul. In this course you will learn the keys to establishing a prosperous soul. Some of these principles are finding rest in the presence of Jesus, removing judgments, having a right relationship with authority, being anchored in hope, walking in patience, etc. We will cover these and other essential principles with the end goal of your soul becoming prosperous.*

Galatians

Prayer Ministry Training

- *This course is applicable for any believer who wants to be trained in “how to minister” to those in need of healing, providing instruction not only on what the Bible says about healing, wholeness and health, but also how to minister to those dealing with sickness and disease. This is practical hands on training and will be a catalyst for a more effective healing ministry in Jesus name.*

Finally, My Brethren

- *This insightful study through the first five and a half chapters of Ephesians will cover the foundational steps that Apostle Paul laid out before his often-quoted statements about putting on the spiritual armor. This course will enlighten new scriptural truths and empower you to become more than a conqueror in spiritual conflict.*

Fundamentals of Faith

- *In this course, faith is defined and examined as well as what faith is not. There is a vertical side of faith which is faith towards God, however there is also a horizontal side of faith which is the walk of faith in our natural life. This course will expound on both sides of faith because both are needed to bring about God’s plan and purpose in the earth.*

- *An overview of the culture and context of Jesus’ life and ministry that will deal with His manner of teaching, the content of His teaching and His declarations about Himself, His relationship with the Father, the Word, the devil, sin, faith, prayer and the Holy Spirit.*
